

Terms of Service for GuardBot

Effective Date: June 16, 2025

By inviting and using **GuardBot**, you agree to the following Terms of Service:

1. Use of the Bot

GuardBot is provided to Discord servers for moderation, utility, and notification purposes. Use of the bot is free unless otherwise specified in future updates. You must comply with Discord's Terms of Service and Community Guidelines when using GuardBot.

2. Data Collection

GuardBot may temporarily collect and store:

- User IDs, guild IDs, and message IDs (for moderation/logging features)
- Command usage (for analytics or debugging)
- Role and permission data (to manage access to features)

No personal or sensitive data is stored permanently. We do not sell, share, or transfer data to third parties.

3. Availability and Uptime

We strive to maintain high uptime, but GuardBot may go offline due to maintenance, updates, or outages. We are not responsible for any damage, inconvenience, or loss caused by downtime.

4. Termination

We reserve the right to block the bot from any server for abuse, violation of these terms, or malicious activity. You may remove the bot from your server at any time.

5. Liability

GuardBot is provided “as is” with no warranties or guarantees. We are not liable for any misuse of the bot, data loss, or harm resulting from its usage.

6. Changes to Terms

We may update these Terms of Service at any time. Continued use of GuardBot after changes implies acceptance of the updated terms.
